

Stream:
Decision Support Systems

The 25th European Conference on Operational Research, EURO XXV, with the special subject on “OR connecting sciences” will take place in Vilnius, Lithuania from July 8th to 11th, 2012. The Programme and Organising Committee are preparing a high quality academic programme of the Conference. In addition to this, you will have an excellent opportunity to exploit Vilnius, the historical capital of Lithuania! More details about the Conference and the venue can be found in the Conference Homepage: <http://www.euro-2012.lt/>.

As the organizer of the [Stream of Decision Support Systems](#), the [EWG-DSS](#) would like to invite you: researchers, practitioners, as well as students working in the areas of *decision making, analysis and decision support* to participate at this Conference and to submit your work to this stream. **The DSS Stream’s is composed of 4 sessions.** These sessions define the main topics of interest in this stream. In order to submit your abstract to one of the DSS Sessions listed below, you need to login in [the conference site](#), select the “**Abstract submission**” menu option and then enter the session’s code to which you wish to place your submission. The DSS Stream Session codes are given below:
